AT *Wylden*

A WYLD COLLECTION OF HOMES

As the first Wylder neighborhood to be developed, Bristol's new single-family homes allow families to grow and thrive. Each home has been thoughtfully designed to fit any lifestyle, and backyard scenic lake views are the norm. Floorplans at Bristol will offer approximately 1,500 to over 2,800 square feet of living space with two to five bedrooms, two to two-and-a-half baths, and two- to three-car garages.

A WYLD SOCIAL LIFE

Reserved for the exclusive use of residents and their guests, Bristol's planned amenity center will serve as the social centerpiece of the neighborhood. Residents will make a splash at the beach-entry pool, work up a sweat at the fitness center or pickleball courts, run wyld with their four-legged friends at the dog park, or let their imaginations soar at the playground.
