GOLF CLUB LIVING**

## UNFORGETTABLE GOLF IS JUST THE BEGINNING

This is Glynlea Country Club, a gated golf lifestyle community that is redefining Florida country club living in Wylder. An exceptional collection of luxury residences, resort-style amenities, and, of course, championship golf, create a unique neighborhood lifestyle like no other.

As the community's center of attention, PGA Tour champion Jim Furyk brings innovative golf design to Glynlea Country Club. Driven by his global golf experiences, Jim is teaming up with esteemed golf course management company Hampton Golf. Together they are creating an exceptional course that challenges both avid golfers and beginners alike.
